Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the South River Multi-Use Path for fiscal year 2024. The project recipient is the Charter Township of Harrison located at 38151 L'Anse Creuse, Harrison Township, MI 48045.

This project consists of constructing a 1.5 mile long, 10-foot-wide multi-use asphalt path along South River Road. The project is an appropriate use of taxpayer funds because it will connect several neighborhoods to two schools, as well as several businesses, and Lake St. Clair Metropark. This connection will be a safe path for exercise for a senior, or a bike route to a first job for a teen. Paths help to provide a safe route to school, as well as an alternative to motorized travel.

The project has a Federal nexus because the funding provided is for purposes authorized by 23 USC 133(b).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in black ink, appearing to read "John James", written over a horizontal line.
